Title

Voyage fait en 1809 pour reconnaitre les sources du Gange.

Abbreviated reference

~~Nouv. Ann. Voyages. ⁽¹⁾ 1: 105-238. 1819.~~

Nouv. Ann. Voyages 1[(1)]: 105-238. 1819

MLP 1101 A

Notes

Translated into French from the English article which appeared in Asiat. Res. vol.11, by J.B. Eyriès.

Details of the vegetation as they passed through the foothills of the Himalayas. Pinus longifoliola, Roxb. Around the village of Bohan-Devi: peach, apricot, walnut, raspberry, strawberry, white rose, ranunculus acris. On the higher ground behind Bohan-Devi, Pinus daedvara, Roxb., higher still rhododendrom puniceum, Roxb., and bandja, a species of oak.
